

TRIUNFO SANITATION DISTRICT

A PUBLIC AGENCY

April 21, 2011

Board of Directors
Triunfo Sanitation District
Ventura County, California

AGENCY BENCHMARKING

Summary

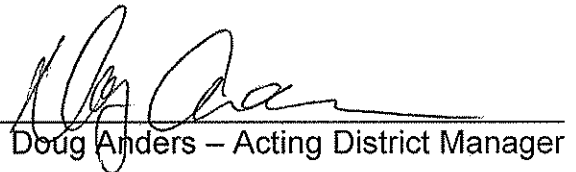

The Triunfo Sanitation District has no employees and receives the majority of its staff support services primarily from two outside public agencies: 1) the Ventura Regional Sanitation District; and 2) the Las Virgenes – Triunfo Joint Powers Authority.

Periodically the Board asks for comparative or “Benchmark” data that can be used to evaluate the value of services being provided to the District. Staff is seeking direction from the Board on the scope and priority for the analysis related to this matter.

Recommendation

It is recommended that Board discuss and direct staff to follow up with appropriate analysis or study to evaluate the value of staff support services provided to the District.
