RECYCLED WATER COMMITTEE UPDATE

The Triunfo Sanitation District Board appointed a Recycled Water Committee (Committee) to explore and research options for the highest and best uses of the recycled water coming from the Tapia Water Reclamation Facility. The committee met for the second time on May 13, 2011.

Recommendation

Provide the Recycled Water Committee an opportunity to update the Board on its activities, if desired.

APPROVED FOR THE MAY 23, 2011 AGENDA
