REQUEST FOR MULTI-YEAR SITE IMPROVEMENT/MODIFICATION PLANS

The Triunfo Sanitation District (District) is requesting input from its cellular site tenants regarding their future plans to expand, modify, or replace equipment at our water tank sites.

Your input will help us to develop a better understanding of the anticipated uses by our tenants. Centralizing this information will allow us to more quickly respond to cellular company requests and allow the District to provide a clearer understanding to our community of proposed cell site uses.

We believe that all parties will benefit from your participation. We are simply requesting a five-year plan of your anticipated replacement and/or cell site modification activities. Please submit your plan to:

Triunfo Sanitation District
Attn: Doug Anders
1001 Partridge Drive, Suite 150
Ventura, CA 93003

Alternatively, feel free to email your plan to DougAnders@vrsd.com. If you have any questions regarding this matter, please call me at (805) 659-4602.
