## CONSERVATION PROGRAM

As stated in the Triunfo Sanitation District / Oak Park Water 2010 Urban Water Management Plan urban water retailers are to meet a goal of reducing water usage 20% by 2020 with an interim goal of 10% by 2015. Attached is a monthly report to compare Oak Park's water usage each month with the goal. Also added by board request is the projected water sales prorated by month. This report will be provided monthly as a tool for the Board to see how Oak Park Water's actual usage compares to the goal.
