SOLAR CUP COMPETITION SPONSORSHIP FOR OAK PARK HIGH SCHOOL

Summary

Director Iceland requested that the Board consider sponsoring Oak Park High School in the Solar Cup competition. Students and school advisor from Oak Park High School will provide a presentation regarding their request for sponsorship in the amount of \$2,500.

Background

The annual Solar Cup competition is sponsored by Southern California Metropolitan Water District and local water agencies to test engineering skills of local high school students. Solar Cup is a seven-month program in which teams of students build and race solar-powered boats. Teams attend boat building and technical workshops to prepare for the competition. They also work with water district representatives to develop a public service announcement about water conservation.

If you have any questions please call me at 805-658-4602 or email douganders@vrsd.com.

Fiscal Impact

The contribution requested is \$2,500.

Recommendation

It is recommended the Board discuss the request from students from Oak Park High School for sponsorship for the Solar Cup competition in the amount of \$2,500 and direct staff as appropriate.

APPROVED FOR NOVEMBER 28, 2011 AGENDA

Doug Anders – District Manager
